OFFICE OF THE CHIEF RATION CENSUS OFFICER, CHALLAKERE TOWN.

Notification No. 3, *dated* 1st *June* 1944.

Notification under Rule 11 of the Mysore Ration Census Order.

It is hereby notified for the information of the citizens of Challakere Town that the following arrangements are made for the distribution of fresh ration cards within the limits of the town.

Distribution of the ration cards will be made between the 10th and 14th of June 1944, both days inclusive at the several depots between 9 A.M. to 10-30 A.M. and 6 P.M. to 7 P.M. on each working day.

2. New cards will be available for distribution as noted below.

3. A new ration card will be issued only on surrender of the census acknowledgment and the identification card issued by the Municipality. The person in whose name the card is issued should sign or affix his or her left thumb print in the space provided on the card and the counterfoil before delivery.

4. Holders of ration cards who, for any reason, are unable to appear at the depots for giving the acknowledgment and taking the ration cards, may send at their own risk the census acknowledgment and the old identification cards together with a letter requesting that the new card may be handed over to the bearer of the letter. In such cases, the old identification card and the acknowledgment slip will be retained in the depot and the new ration card together with the counter part of it which is meant for record in the depot (and on both of which the holder's signature will be necessary) will be handed over to the bearer under acknowledgment. The holder of the ration card should thereupon, sign both on the ration card and on the counterfoil and return both parts of the card. Thereafter, the counterfoil of the ration card will be retained in the depot concerned and the card returned to the bearer. It must be distinctly understood that the depot concerned will accept no responsibility whatever for loss or misplacement of ration cards sent through bearers under the above arrangements.

5. The manager of each depot concerned has been requested to display in front of the depot in a prominent place a list of ration census counterfoil numbers against which and the dates on which the fresh ration cards will be issued. All house-holders are requested to co-operate in this arrangement and take their new ration cards in conformity with the local arrangements made.

6. Every holder of a current identification card will be entitled to draw rations up to 15th June 1944, on the existing cards and the new cards will be current only with effect from 16th June, the rations are otherwise adjusted.

7. As a rule, rations have been allowed for all the relatives as declared by house-holders except where the number of members declared is found to be exaggerated. Regarding non-relatives diverse claims have been made for friends, guests, servants, cooks, drivers, pujaries, archaks, vokkalagittis, purohits, wara, biksha, etc., as permanent inmates; such claims have been suitably cut down. Holders of ration cards, who for any reason desire to get their cards amended, may file an application addressed to the Ration Officer, Challakere Town, stating their grievances but quoting three numbers; (1) their identification card number, (2) the Ration Census number, and (3) the new card number when the matter will be worked into. Whenever a claim is preferred on behalf of a person not related to the head of the family, full particulars have to be furnished in Form No. III, hereunder.

8. In every case, the existing identification card and the census acknowledgment will have to be surrendered before the new ration card is issued. If, in particular case either of the two is lost, it is for Officer, having jurisdiction of the genuineness of the claim and thereupon, he may, after verifying the old identification card number and the census acknowledgment number of the particular person, issue the fresh ration card if the other particulars agree.

9. The numbers indicating quantity of ration mentioned in the cards represent "seers" in respect of foodgrains, viss in respect of sugar and bottles in respect of kerosene.

10. Persons who want to change to a depot other than that through which they get their fresh cards will have to apply at the Taluk Office.

11. The column under wheat is left blank as wheat is interchangeable for rice. Consistently with the supply positions, the Ration Officer, Challakere Town, will supply either wheat or rice, or ragi or jola as the case may be.

12. Persons in charge of all establishments will approach the Ration Officer, Challakere Town, for the fresh permits unless expressly permitted by him to register with any particular depot in which case they will be available at the depot concerned.

13. The existing identification cards issued to house-holders and persons in charge of establishments shall cease to be in operation, with effect from the 31st May 1944, in the absence of specific orders to the contrary in any particular case.

14. A list showing the census numbers against which fresh ration cards will be issued in each depot is separately published.
